### Healing Garden Cancer Support Center

Providing education and therapeutic services to those affected by cancer

The Virginia Thurston Healing Garden Cancer Support Center is the premiere provider of integrative oncology care in Massachusetts, located on 8 acres of serene woodlands in Harvard, MA. Our support groups, expressive and integrative therapies, and individual counseling services aim to optimize the quality of life for all those who are affected by cancer – men, women, and their caregivers – regardless of cancer type, prognosis, or financial ability to pay for services.
