

You Help us Bloom!

Each gift you make through June 30, 2019 ensures your membership in our **Floral Leadership Giving Society!**

During Summer 2019 the Healing Garden will install a new Leadership Giving Wall to recognize each Society member with your name and a tiled display of original watercolor art illustrating the five Floral Society levels - each chosen for its unique beauty or healing properties. Leadership members will be invited to join us this fall for a Gratitude Reception and the grand reveal of our Leadership Giving Wall.
