

Customize your personal fundraising page

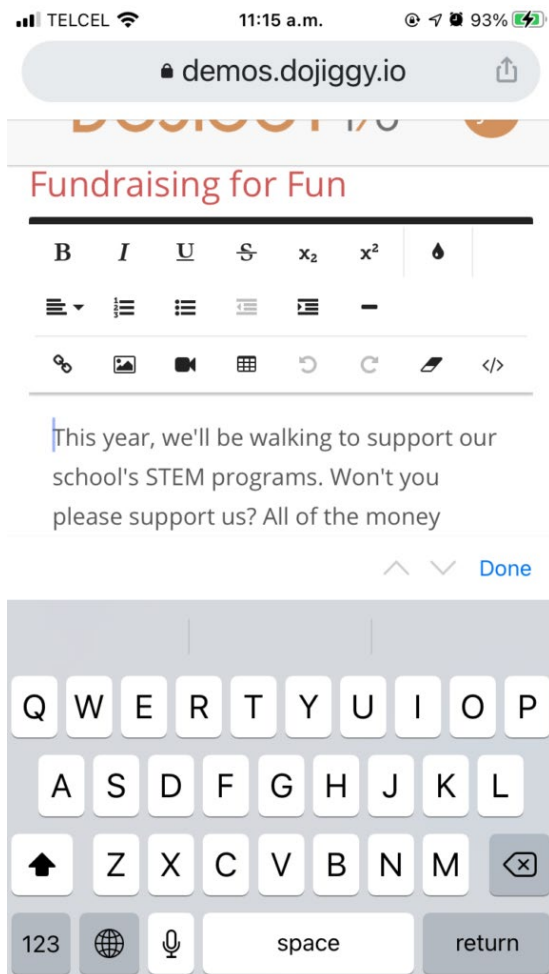

- You need to set up your account.
- Your registration confirmation email has a link
- Enter your email address.
- Teams and participants can edit the title and description of their fundraising page by simply clicking within each area *while logged into their account*.

- **A:** To change the page title, simply click on the title and edit
- **B:** To change the image, click on the 'Change Image' button on the bottom right of the banner image
- **C:** To change the text, click on the existing text to edit. Delete the existing and add your personal message.
- Once you are done editing, you don't need to save- **Save is automatic.**

Mobile editing

To edit your campaigns on a Mobile device, simply click once on the text you wish to edit. This will open the editor. Once open, edit as necessary, then, click the Done button or anywhere outside the text area. Save is automatic.

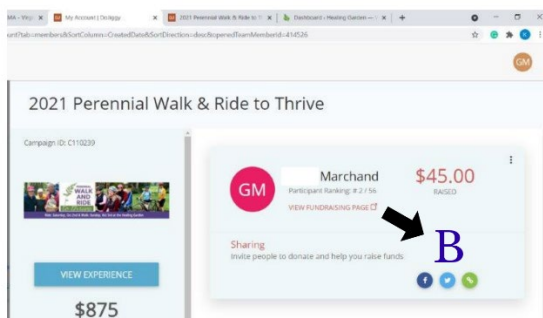

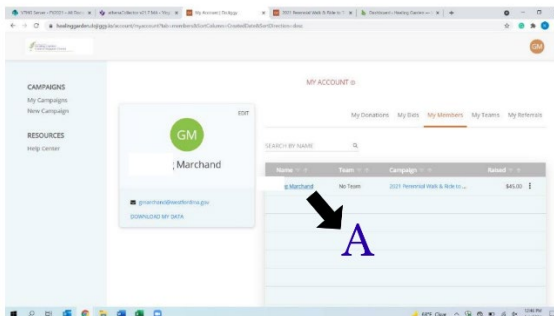

[Click here for instructions on how to share your fundraising page](#)

Follow these instructions to find your personal fundraising page:

1. Go to **my account**. Log into your account

2. Click on the **My Members** tab
3. Click on **your name - A**
4. Click **VIEW FUNDRAISING PAGE** under your name at the top - **B**

OR

The link was emailed to you when you registered.

Look for the email “Your participant registration is confirmed”

See sample email below:

DOJIGGY I/O

2021 Perennial Walk & Ride to Thrive

Hello xyz,

Thank you for registering! We truly appreciate every registration and all efforts to help us achieve our fundraising goal.

Thank you!

With gratitude,

VIRGINIA THURSTON HEALING GARDEN INC

Your personal fundraising page has been created. Here's the link:

<https://healinggarden.dojiggy.io/2021walk-ride/xxxxx> ➡ **Your Page LINK**

What to do next:

- *Customize your fundraising page.* ➡ **LINK to your account**
- Share your link with friends and family and encourage their support.
- Check your progress by visiting your *participant dashboard*.

Contact the organizer with any questions by visiting the *Experience Page* and clicking the button in the bottom right of the page.

To Create a Team

You can create a team when you register. Add both the team and participant registrations to the cart to complete this step in one checkout process.

- Click 'Register Now'
- Select 'Individual Walk/Ride participant' **AND** 'Walk Team' or 'Ride Team'
- Add both options to the cart. Go to checkout
- During checkout create your TEAM NAME and add your email address.
- Click next. Enter your personal information for your individual participant registration. Complete the registration

To Join a Team

- On the first page of checkout, you will have the option to choose a team.

Review your member registrations
